

## Year 6 Home Learning – Friday 11<sup>th</sup> September 2020

### Week 2 (Autumn Term 1)

Hello everyone – welcome to year 6! Every Thursday (except for this week – oops!) your home learning will be posted on the school website. Usually, we would like it to be done by Tuesday – but this week, as it was set a day late, you have until Wednesday. Due to COVID regulations, all homework will be set online, usually on [spag.com](http://spag.com), [spellzone](http://spellzone.com), [MyMaths](http://MyMaths.com) or [Times Tables Rock Stars](http://TimesTablesRockStars.com), but occasionally on Microsoft Teams. Passwords for the first four websites can be found on the sticker inside your reading record.

Please see below for this week's activities.

#### This week's activities are:

##### **Spelling:**

Please log on to [Spellzone](http://spellzone.com) and complete the Spelling Ability Test. This can be a bit long, but keep persevering until it tells you to stop.

The SAT is really useful as it will help [Spellzone](http://spellzone.com) to generate your “personal pathway” and set you activities appropriate for your spelling level, so that you can learn and improve at your own pace!

##### **Reading:**

Please spend at least 15 minutes every day reading your book and writing it in your reading record, which you brought home today.

Have a fantastic weekend,

Mr Munro, Mrs Skingle & Mrs Carleton (and the rest of the year 6 team!)
