

Year 6 Home Learning – Thursday 15th October

Week 7 (Autumn Term 1)

This week's activities are:

Spelling:

Please log in to Spellzone to find three short tasks this week:

- Look/say/cover/write/check – Bronze 4 & Silver 2
- Listen and Spell – “-fer” words.

Maths:

Please log on to MyMaths and complete the activity titled “Equations 1 – one-step”.

If you find this quite straightforward, or are up for a challenge, also try “Substitution 1” to really test your algebra skills!

Science:

<https://games.legendsoflearning.com/games/WyJnYW1lcylsNTc3XQ>

This is a game where you'll need all the knowledge gained from your science lesson about adaptation to keep your creatures alive as their environment undergoes a series of changes. Darwin will help you.

Tell us how you got on: how long did you keep your creature alive? What was the best genetic defence against predators?

Reading:

Please read for at least 15 minutes a day (aloud to an adult if possible, but to yourself is fine) and record it in your reading record.

Have a fantastic weekend,

Mr Munro, Mrs Skingle & Mrs Carleton (and the rest of the year 6 team!)
