

Year 6 Home Learning – Thursday 22nd October

Week 8 (Autumn Term 1)

This week's activities are:

Spelling:

Please log in to Spellzone to find a task.

There is also a task waiting for you on spag.com.

Maths:

Please log on to MyMaths and complete the revision activity on equivalent fractions, as well as the slightly longer “mixed assessment 3”.

Don't worry – this isn't an actual assessment, just a collection of questions to check your understanding. We have already covered most of the skills in it this year – you may have to reach back into your minds for some, though!

Reading:

Please read for at least 15 minutes a day (aloud to an adult if possible, but to yourself is fine) and record it in your reading record.

You will also find on the website the list of activities from our Reading Journals that we created on the last day of term. Please choose one (perhaps one with a spelling or grammar focus?), complete it on a piece of paper and bring it in after half term to be stuck in your book.

Have a fantastic half term break,

Mr Munro, Mrs Skingle & Mrs Carleton (and the rest of the year 6 team!)
