

Year 4 Home Learning

wb: 19.10.20

Dear Year4,

We have enjoyed talking to your family during parents evening. Well done for all your hard work this half term.

This week's Home Learning:	
<p>1. Maths: Scampi and George are exploring an enormous mansion. They explore every room and begin by scampering all the way around the perimeter of each room. Find out what the perimeter of each room is, that they explore. You can complete either green, yellow or red (or 2 or 3 colours for practice). You will have to print out the sheets attached.</p> <p>2. There is also a challenge question at the end for you to try (you will need squared paper to complete this).-square paper attached.</p>	
<p>3. English: We have heard all about the exciting books you have been reading at home and would like to know more... Please complete a book review on your favourite book so that Miss Brooks, Miss Brotherton and Mrs. Kainth can also share that excitement with you. The book review template can be complete on TEAMS or you may bring a paper copy to school, so that we can create our very own 'book recommendation' booklet for the reading corner.</p>	
<p>4. Optional activity: PE: Complete the ECS fitness challenge. You have half term to complete this. See attached for details.</p>	

Remember to practise the following:

Read out loud to someone

Practise your mental maths

Practise your spellings (your passports will be given to you soon)

Reading- Daily (remember to fill in your reading record each time)

Spellings- 3times a week. The words are in your passports- You must bring this into school and take home daily.

Mental maths- 3times a week (ready for your weekly test on Tuesday).
