

Expanded Noun Phrase

An expanded noun phrase is a phrase made up of **a noun** and **at least one adjective**.
If you list more than one adjective to describe the noun, you should add a **comma** to separate them.

Task 1

Turn these nouns into expanded noun phrases. One has been done for you.

1. Table – 12 miniature tables.
2. Tree _____
3. Lion _____
4. Teacher _____
5. Sock _____
6. Hero _____
7. Monkey _____
8. Cereal _____
9. Foot _____
10. Planet _____

Task 2

Label things you can see on the front cover of George's Marvellous Medicine. Try to make some of them into expanded noun phrases.
