

Guide to using MyMaths

You may find that MyMaths does not work for Google Chrome, you may need to switch browsers to Edge.

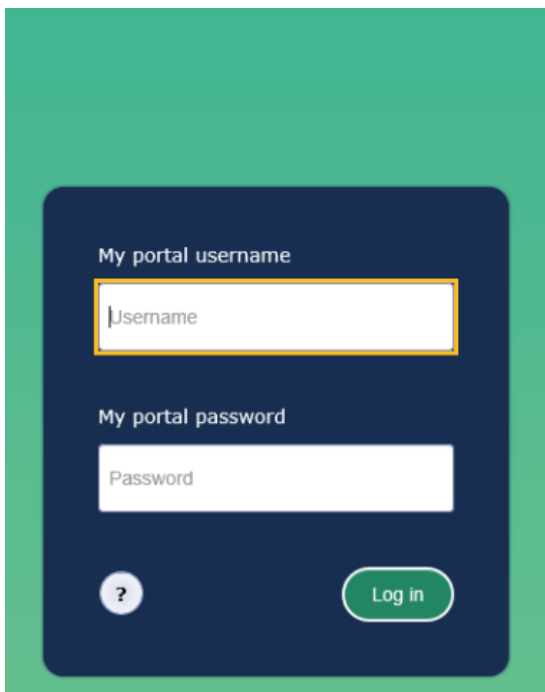

In order to sign in visit: <https://login.mymaths.co.uk/>

You then need to type in the **school username: eshercs** and **password: symmetry**

The image shows the MyMaths login interface. At the top left is the MyMaths logo, which consists of a dark blue circle containing a 3x3 grid of white dots, followed by the text "MyMaths" in a dark blue sans-serif font. Below the logo is a dark blue rounded rectangle containing the login form. The form has two input fields: "School username" and "School password". The "School username" field contains a single vertical bar cursor. At the bottom left of the form is a white circle with a question mark, and at the bottom right is a blue rounded button with the text "Log in".

Then on the next screen enter your personal (portal) username and password in the “My Portal Box” on the right.

The image shows the "My portal" login interface. It features a dark blue rounded rectangle on a green background. The form has two input fields: "My portal username" and "My portal password". The "My portal username" field contains the text "Username" and is highlighted with a yellow border. The "My portal password" field contains the text "Password". At the bottom left of the form is a white circle with a question mark, and at the bottom right is a green rounded button with the text "Log in".

Once you have logged in you should see the task assigned to you. Click on the set task and complete. When you have finished please remember to log out otherwise we can't see how well you did!

MyMaths feedback

If you want to see how well you have done in your mymaths work, then click on the purple scores tab. See picture below.

If you want to see the comment that we have left you on your completed work, or want to try again, then simply click on the task. (see example below)

When you click on the task a window will come up showing your score, an option to have another go if you are unhappy with your score and at the bottom of the window, you will find a comment from your teacher.
