## The ECS Remote Learning Offer

This table indicates what our remote learning offer is following the guidance and expectations from the Department for Education.

| Department for Education Expectations   | The ECS Offer  |
|---|--|
| Set assignments so that pupils have<br>meaningful and ambitious work each day<br>in a number of different subjects.   | <ul> <li>Lessons are based on the curriculum the children would be following in school</li> <li>Daily Maths and English lessons</li> <li>Weekly Foundation subjects (Science, History or Geography (Big Enquiry), RE, Art, PE and PSHCE) lessons spread across the week</li> </ul>   |
| Primary schools should ensure pupils have<br>three hours' work a day, on average, across<br>the cohort.   | <ul> <li>Daily Maths, English and Foundation subject<br/>lesson</li> <li>Daily reading, phonics or spelling and<br/>handwriting activities</li> <li>Daily story time with class teacher</li> <li>Daily Christian meditation</li> <li>Daily assembly</li> </ul>   |
| Secondary schools should ensure students<br>have four hours' work a day, with more for<br>those working towards formal<br>qualifications this year.             | Not Applicable   |
| Provide frequent, clear explanations of<br>new content, delivered by a teacher or<br>through high-quality curriculum resources<br>or videos.                    | <ul> <li>All children use Microsoft Teams to access<br/>learning resources including links to live and<br/>recorded lessons by their class teachers</li> <li>Weekly timetable shared in advance to<br/>indicate method of teaching instruction for<br/>each lesson</li> <li>At least five live and interactive teaching<br/>sessions weekly</li> <li>Live streamed or pre-recorded teaching<br/>inputs to explain, model and demonstrate<br/>learning and tasks</li> </ul> |
| Have systems for checking, at least weekly,<br>whether pupils are engaging with their<br>work, and inform parents immediately<br>where engagement is a concern. | <ul> <li>Microsoft Teams assignment tool used to set and monitor engagement with tasks</li> <li>Absences noted from live sessions</li> <li>Teachers review engagement weekly and contact families to offer support to enable engagement for the following week</li> </ul>  |
| Gauge how well pupils are progressing<br>through the curriculum using questions<br>and other suitable tasks.  | <ul> <li>Question channels established in Microsoft<br/>Teams for children in KS2 and parents of<br/>children in KS1 to ask for assistance,<br/>clarification about tasks</li> <li>Teacher Messages email available to all<br/>parents to contact teachers within the year</li> </ul>  |

|   | <ul> <li>group to share concerns, feedback or requests for assistance</li> <li>Robust feedback system in place to assess how well children are progressing through the tasks</li> </ul>   |
|---|---|
| Provide feedback, at least weekly, using<br>"digitally facilitated or whole-class<br>feedback where appropriate".   | <ul> <li>All tasks set as a Teams assignment are<br/>looked at by a class teacher and whole-class<br/>verbal feedback given in following digital<br/>learning links or via class channels in Teams</li> <li>All children receive personalised written<br/>feedback on one piece of writing submitted<br/>as a Teams assignment a week</li> <li>All foundation subject work submitted via<br/>Teams is acknowledged and celebrated via<br/>Marvellous Me.</li> </ul> |
| Enable teachers to adjust the pace or<br>difficulty of what is being taught in<br>response to questions or assessments,<br>including, where necessary, revising<br>material or simplifying explanations to<br>ensure pupils' understanding. | <ul> <li>Teachers have weekly PPA to review previous week's learning and plan for the following week</li> <li>Work submitted, assessments made and feedback given drive any changes necessary to the curriculum both to simplify or extend learning</li> </ul>  |
