26 February 2021

Good afternoon,

I hope this message finds you and your families all well.

I am very keen to start up some parent council type meetings where I discuss any new initiatives etc with a smaller group of parents. I would love the opportunity to start this process with this group and discuss, on this occasion, the return to school on the 8 March. Only a small topic to cover!

I will be joined for this meeting by Mrs. Hunter as she leads the school Parliament group so we thought we could complete a similar exercise with the children to ensure we have put all possible measures in place to support a smooth transition.

I hope many of you will be able to join us on Tuesday 2 March at 2pm but I will send out some potential questions for those who cannot attend. The session will explore your thoughts and support us as we review our risk assessment ready for our return.
