ESHER CHURCH SCHOOL

Christ at the Centre; Life to the Full

Head's Lines

Thank you for all your support this term, I am so pleased we managed to still celebrate with some of our well-loved traditions. I have sent the links out for the Spring festival on TEAMS so please check your child's account to watch this with your children! We have included the winners of the hat making below. I would like to say a huge thank you to the ECSA for providing prizes for these children and an Easter egg hunt today on the field for all our pupils.

The children have watched the Spring festival in school this morning, the Year 2 Easter service and had the excitement of the Easter egg hunt! What a great end of term and we said a huge welcome back to school to our staff who were shielding.

Happy Easter, eat lots of chocolate and say thanks to God our creator for all the wonderful things we have to be grateful for.

Best wishes

Caroline McLennan
Acting Headteacher

Spring Festival

And the winners of the best hats in the Spring festival are:

Inkpen	Otis	Deenah-Alice
Hargreaves	Charlie	Freya

26th April – Eco Mufti Day – come into school in greens and browns or other earth themed kit.

INSET Days:

28th May
28th June
21st July

English News

What makes Britain Great? The Year 1 children have learnt about many things, from Nessie and Ben Nevis in Scotland, the Giant's Causeway and Titanic Museum in Northern Ireland, the longest and fastest zip-wire, daffodils and leeks in Wales and the Mousehole Cat in Cornwall, not forgetting information about London and

our own local area. They presented all their learning on maps which they proudly shared with their classes. A wonderful end to a GREAT Enquiry.

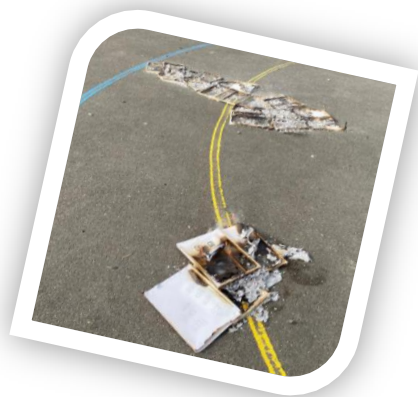

There was so much excitement in 4L, one of our children has received a personal reply from the author that they wrote a letter to as part of our English learning. Sophie Cleverly is the author of many well-known children's stories including, the Scarlet and Ivy series.

Maths Mastery

Year 4 have found practical ways to understand mixed numbers and improper fractions. There were even some cheeky equivalent answers hidden in the games.

This Week in History

Year 2 loved burning down 'London' this morning as part of our Big Enquiry 'Was the Fire of London really great?' Here is what was left!

Year 4 surpassed themselves this week. They worked fantastically hard to create and perform a play entitled, 'Rome wasn't built in a day,' based on the entire history of the Roman Empire. We had

emperors, gladiators, slaves, lions and Boudicca even showed up defiant as ever! Such a great way to see history come to life and clearly some future Oscar winners amongst them too. Many thanks to Konflux Theatre for a great day.
