

### Are you a **Home Explorer?**

- To find a picture of a painting reflecting winter and find out about the artist
- To write a winter story
- To count the number of days in winter

### Ready to **Launch...**

A winter walk around the school.

What signs of winter can you spot?

# What patterns can we see in nature during winter?

### Wow moments

- Trip to Claremont Fancourt School to engage with the environment during winter
- To make a sculpture using the environment inspired by Andy Goldsworthy

### Expert knowledge:

- When it is winter in Surrey it is summer in Australia
- Andy Goldsworthy is a living British sculptor who uses the environment to make art. He has an OBE from the Queen.
- In winter the trees and the weather are different compared to the other seasons
- There are important ways to stay safe in the winter months

### Time to **celebrate!**

**Art exhibition for families to celebrate creative learning inspired by Andy Goldsworthy**

## English:

- To confidently be able to apply Phase 5 phonics in reading and writing
- To write simple recounts from own experiences including season walks
- To use and apply pre and suffixes in writing and spoken language
- To retell narratives and write their own version of One Snowy Night by N. Butterworth

## Geography

- Visit to Claremont Fancourt School to find signs of winter
- To recognise physical changes in the seasons during the winter months eg trees/ climate/ weather

## Art:

- To use finger painting to re-create an AG sculpture
- To photograph their own sculptures and create a frame using leaf prints

## Science:

- Seasonal changes around the world and how the changes in weather affects us
- How to keep our bodies safe in winter

## What patterns can we see in nature during winter?

### Maths:

- To know number bond facts to 20
- To solve problems using addition and subtraction
- To find 10 more and 10 less of any given number
- To find half and double of a number
- To use mathematical language related to weight and capacity
- To recognise the value of different denominations of coins and notes

### RE:

- How do Jewish people celebrate Shabbat?
- What is the Torah and why is it important to Jews?

### PSHCE:

- Wonderful World by Nick Butterworth
- Looking after our planet and our community. What can we do to make a difference?
- Making a toy out of recycled materials

### PE:

- Playball
- 5 a day

### Computing:

- Online Safety. How can Digi Duck help us to stay safe online. What do we do if we see something that worries us?

### D & T:

- To explore existing Andy Goldsworthy Sculpture
- To design and make their own sculpture using the environment
- To evaluate their sculptures and consider ways of changing them
