

Ready to **Launch...**  
Treasure quest at  
school

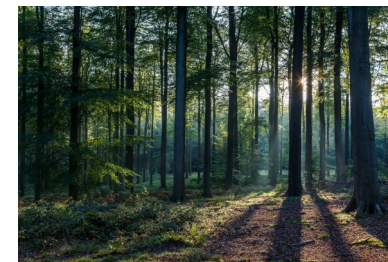

## What Makes A Great Hero?

### Are you a **Home Explorer?**

- Visit this website to learn about Alfred's life: [https://www.ducksters.com/history/middle\\_ages/alfred\\_the\\_great.php](https://www.ducksters.com/history/middle_ages/alfred_the_great.php)
- Visit a museum: [valeanddownlandmuseum.org.uk/king-alfred-gallery/](http://valeanddownlandmuseum.org.uk/king-alfred-gallery/)

### **Wow** moments

Visit to the woods for writing inspiration

### Time to **celebrate!**

Create a quest adventure  
to be read interactively

### Expert knowledge:

- Alfred became king in AD871 when his elder brother died.
- A century is 100 years and that 0-99AD is the first century
- The acronyms AD, BC, BCE and CE and what they stand for
- The names of the 7 Anglo-Saxon kingdoms: Northumbria, Mercia, East Anglia, Essex, Kent, Sussex, and Wessex
- The chronology from Romans to Normans in Britain
- Propaganda is biased or misleading information intended to promote a political cause or point of view.
- To help protect his kingdom from Viking attacks, Alfred built forts and walled towns known as 'burhs'.
- Alfred died in 899 and was buried at his capital city of Winchester.

## Maths:

- use simple formulae
- generate and describe linear number sequences
- express missing number problems algebraically
- find pairs of numbers that satisfy an equation with 2 unknowns  
enumerate possibilities of combinations of 2 variables
- compare and order fractions
- add and subtract fractions with different denominators and mixed numbers, using the concept of equivalent fractions
- multiply simple pairs of proper fractions
- divide proper fractions by whole numbers
- calculate decimal fraction equivalents for a simple fraction
- multiply one-digit numbers with up to 2 decimal places by whole numbers
- recall and use equivalences between simple fractions, decimals and percentages, including in different contexts
- multiply multi-digit numbers up to 4 digits by a two-digit whole number using long multiplication
- divide numbers up to 4 digits by a two-digit whole number using the formal written method of long division and short division, and interpret remainders as whole number remainders or fractions
- solve number and practical problems that involve all of the above

## Science: Light

- recognise that light appears to travel in straight lines.
- use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye.
- explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes.
- use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them.

## RE: What do Christians believe about Heaven?

Adam, Eve, Christmas and Easter– what are the connections?

- Christians believe: Jesus is in Heaven, death is not the end, God is worshipped constantly in Heaven, when Jesus returns, heaven will come to Earth and everything will be as God intended, they will go to Heaven when they die.
- Easter: there are links between events in Genesis and the events of Easter and Christmas/ancient prophecies in the Old Testament

# What Makes A Great Hero?

## D and T

- Create a light up card using LEDs and a parallel circuit
- Design and make something useful from plastic waste at school

## Computing: Online Safety

- Be aware of some of the dangers of using the internet and why we need to keep safe online.
- Design an online safety blog
- Debate different online safety “hot topics”

## Music:

Composition using basic music software: how it works and introduction to instrument loops

Understanding a software instrument library with the aim of using a software band and creating own songs

## English:

- Explore poetry about ‘heroes’ and compose own poems
- Read about fantastic creatures of quest stories and write a non-chronological report about our own beast
- Read and write narratives of the ‘quest’ genre.

## History:

- Knowing who King Alfred was and where and when he lived.
- The Kingdoms and settlements of Anglo-Saxon England
- The Viking invasion splitting Britain into Dane-Law and England
- Propaganda about King Alfred
- Significant events in King Alfred’s life making him “great”
- The impact that Alfred the Great had on Britain

## PE:

Gymnastics- develop flexibility, strength, control and balance  
Netball - play competitive games, basic attacking and defending

## Spanish

Los Verbos Regulares (6 lessons):

Recognise and understand what a pronoun is in both English and Spanish and be able to say what the key personal pronouns are in Spanish. -Understand what a verb is in both English and Spanish and how to then create a stem and work
