I understand that by taking on the role of governor, I am part of a team, which includes both governors and senior leaders, who take a shared responsibility for the success of the school. We all work hard to drive improvements in the school, create and deliver on a compelling vision and strategy, and ultimately make sure pupils achieve their potential.

I know that I have an individual part to play and will be fully committed and engaged throughout my time as a governor.

I understand that I am expected to attend a minimum of 3 full board meetings per year, at least 3 committee meetings per year, and to visit the school at least once per term to develop understanding of key areas of governance focus.

Role & Responsibilities

- I understand the purpose of the board and the role of the head teacher.
- I accept that I have no legal authority to act individually, except when the board has given me delegated authority to do so, and therefore I will only speak on behalf of the governing board when I have been specifically authorised to do so.
- I accept collective responsibility for all decisions made by the board or its delegated agents. This means that I will not speak against majority decisions outside the governing board meeting.
- I have a duty to act fairly and without prejudice, and in so far as I have responsibility for staff, I will fulfil all that is expected of a good employer.
- I will encourage open governance and will act appropriately.
- I will consider carefully how my decisions may affect the community and other schools.
- I will always be mindful of my responsibility to maintain and develop the ethos and reputation of the school. My actions within the school and the local community will reflect this.
- In making or responding to criticism or complaints affecting the school I will follow the procedures established by the governing board.
- I will actively support and challenge the head teacher and senior leaders.
- I will accept and respect the difference in roles between the board and staff, ensuring that I work collectively for the benefit of the school.
- I will respect the role of the head teacher and senior leaders and their responsibility for the day to day management of the school and avoid any actions that might undermine such arrangements.
- I agree to adhere to the school's rules and polices and the procedures of the governing board as set out by the relevant governing documents and law.
- When formally speaking or writing in my governing role I will ensure my comments reflect current school policy even if they might be different to my personal views.

• When communicating in my private capacity (including on social media) I will be mindful of and strive to uphold the reputation of the school.

Commitment

- I acknowledge that accepting office as a governor involves the commitment of significant amounts of time and energy.
- I will involve myself actively in the work of the governing board, and accept my fair share of responsibilities, including service on committees or working groups.
- I will make full efforts to attend all meetings and where I cannot attend explain in advance why I am unable to.
- I will get to know the school well and respond to opportunities to involve myself in school activities.
- I will visit the school, with all visits arranged in advance with the head teacher and undertaken within the framework established by the governing board.
- I will consider seriously my individual needs for training and development and will undertake relevant training.
- I accept that in the interests of open governance, my full name, date of appointment, terms of office, roles on the governing board, attendance records, relevant business and pecuniary interests, category of governor and the body responsible for appointing me will be published on the school's website.
- In the interests of transparency, I accept that information relating to governors will be collected and logged on the DfE's national database of governors (Edubase).

Relationships

- I will strive to work as a team in which constructive working relationships are actively promoted.
- I will express views openly, courteously and respectfully in all my communications with other governors, the clerk to the governing board and school staff both in and outside of meetings.
- I will support the Chair in their role of ensuring appropriate conduct both at meetings and at all times.
- I am prepared to answer queries from other governors in relation to delegated functions and take into account any concerns expressed, and I will acknowledge the time, effort and skills that have been committed to the delegated function by those involved.
- I will seek to develop effective working relationships with the head teacher and senior leaders, staff and parents, the local authority and other relevant agencies and the community.

Confidentiality

• I will observe complete confidentiality when matters are deemed confidential or where they concern specific members of staff or pupils, both inside or outside school.

- I will exercise the greatest prudence at all times when discussions regarding school business arise outside a governing board meeting.
- I will not reveal the details of any governing board vote.
- I will ensure all confidential papers are held and disposed of appropriately.

Conflicts of interest

- I will record any pecuniary or other business interest (including those related to people I are connected with) that I have in connection with the governing board's business in the Register of Business Interests, and if any such conflicted matter arises in a meeting, I will offer to leave the meeting for the appropriate length of time.
- I accept that the Register of Business Interests will be published on the school's website.
- I will also declare any conflict of loyalty at the start of any meeting should the situation arise.
- I will act in the best interests of the school as a whole and not as a representative of any group, even if elected to the governing board.

Ceasing to be a governor

• I understand that the requirements relating to confidentiality will continue to apply after a governor leaves office

Breach of this Code of Practice

- If I believe this code has been breached, I will raise this issue with the chair and the chair will investigate; the governing board will only use suspension/removal as a last resort after seeking to resolve any difficulties or disputes in more constructive ways.
- Should it be the chair that I believe has breached this code, another governor, such as the vice chair will investigate.

Governors will review, approve and sign the Code at the first governing body meeting of each school year.
