

Ready to **Launch...**

Plant seeds

Time to **celebrate!**

Sharing our learning at the
Easter Church Service

How can I make my garden grow?

Expert knowledge:

- Photosynthesis is the process where plants make their own food
- Germination is when plants begin to grow
- Deciduous trees lose all of their leaves in autumn
- Evergreen trees keep their leaves all year
- Pontius Pilate agreed to release Barabbas (a murderer) and sentenced Jesus to death
- Jesus prayed in the Garden of Gethsemane before he was arrested
- Judas Iscariot was the disciple who betrayed Jesus for 30 pieces of silver

Are you a **Home Explorer?**

- Visit Chessington garden centre and interview the staff members about how they grow their plants and flowers
- Grow some plants and measure them each week
- Go on a tree hunt locally and complete a tally chart of the different ones

Wow moments

- Design and make a fruit salad
